Changing lives. Creating futures.

Lots of people have been affected by the economic crisis. And unfortunately an economic slowdown ultimately means some people face redundancy, and if you're looking for work it can be tough.

That's where we can help. With our expert knowledge of the labour market, we can help you find a job that offers the security you're looking for, fast.

We offer things like:

- job focused training;
- information, advice and guidance to help you find the right job;
- sector specific routeway training; and
- access to a team of support to explore career options.

We will also help you to identify your transferable skills so you can adapt to the changing labour market.
